7th Grade Class Trip
Participation Requirements

Academics & Attendance:

All students are required to maintain good attendance, demonstrate responsibility, have passing grades of "C" or better in all subjects and show good behavior. A student who exhibits unsatisfactory conduct in class as reflected in quarterly grade reports or who has misconducts and/or failing to follow reasonable directions in class/school will be ineligible to participate.

Behavior:

Discipline issues will cause your child not to be a part of a monthly activity. Should your child receive 3 discipline slips in one month he/she will not be permitted to participate in that month's activity. Your child would be eligible for the next month's activity as long as he/she does not receive 3 more discipline slips.

Should your child receive an Out-of-School Suspension he/she will be ineligible to participate in two consecutive 8th grade activities.

Funds will not be refunded. All funds paid will be applied to the next month's activity.

We are looking forward to a fantastic year extended learning opportunities outside of the classroom!

Thank you
