

Mr. Kelly Room 218 summer technology lessons for students going to room 222

Hello parents, and happy summer!! Below are the requirements that must be met by your student before the beginning of next year. They will be required to complete Nearpod lessons, iReady lessons, and read 1 novel.

Nearpod:

- Literary and Media Analysis 2: KXCQE
- Literary and Media Analysis 3: NJABH
- Skim Text to Find Evidence to Compare Two Elements: VRSJI
- Compare and Contrast Elements Within a Text: FHXYK
- Comparing and Contrasting Textual Details: PHDXW

Reading:

Students are to complete **20** iReady **reading** lessons. If students run out of extra lessons, they should do the lessons automatically assigned to them through iReady.

Students are also required to read **1** novel and write a 1 page summary of the novel.

iReady Math:

Students are to complete **20** iReady **math** lessons. If students run out of extra lessons, they should do the lessons automatically assigned to them through iReady.

Note:

The quantities of lessons above are simply suggestions from the teacher. It is recommended that students complete **more** than the required amounts above to prevent them from losing ground before the beginning of next year.

Have a great summer, and I look forward to seeing and working with you next year!!
