Dear Carnegie Families,

STRONGLY consider registering your student for FREE weekly Covid19 testing.

You only have to sign up once. The test is simple. Students swab their own nose and place the cotton swab into a vial that is sent to a lab. Results come back 2 to 3 days later. That's it! This is a safe way for you to be aware of your child's status and exposure.

We have been fortunate and testing weekly can help us continue to stay safe.
