 Observed NO SCHOOL	<ul style="list-style-type: none">• Me Bag• Fluency Reading Log• Place Value Review• Spelling <i>Practice will begin September 13th</i>	<ul style="list-style-type: none">• Me Bag• Fluency Reading Log• Count by 5s or Color by Number Review	<ul style="list-style-type: none">• Me Bag• Fluency Reading Questions• Mixed Math Review	No HW Complete unfinished class work or assignments that need to be redone

Welcome to 2nd Grade!

Hello 2nd Grade Carnegie Families,

Normally you will receive a weekly newsletter from me on Mondays, however as we start the new school year, I wanted to be sure I touched bases prior to a well-deserved 3-day weekend. I truly appreciate your patience in this process. Navigating this new normal is a big adjustment for our little ones, but our 2nd Graders have already shown they are up for the challenge! Thank you all for being so cooperative and patient. I also want to thank you for the overwhelming number of supplies. The students will receive materials for themselves, and sharing will no longer be permitted due to CPS protocol.

A little bit about me.... I am entering my 17th year of teaching. I have taught at the Primary, Intermediate, and Middle School level. I am an alumnus of University of Illinois at Urbana-Champaign and National-Louis University. My most esteemed role is being a mother of 2 amazing boys who are 6 and 8 years old. During the little snippets of free time that I have I enjoy bike riding, volunteering for neighborhood clean-up projects, I am on the Executive Board of 2 philanthropy organizations, and I love testing new recipes. Shrimp Tacos are the new favorite! I also enjoy reading, traveling, and preparing to work with each of your awesome kiddos.

My mission is to help students realize their potential, and to encourage them to be their personal best. I give instruction to students as if they were my own, and I only want the best for every child. I am looking forward to this school year and I hope you are too.

As always feel free to contact me with any questions or concerns. Stay positive. Stay safe and be well.

Your Partner in Education,

Mrs. Faith Mitchell
