

PROMISSORY NOTE

This promissory note is intended to cover child learning services delivered before payment for the services is rendered. It is used primarily as a guarantee the parent/guardian of the enrolled child has the ultimate responsibility for payment, whether or not tuition is subsidized by any government agency. By signing this agreement with Accountax School of Business (non-profit), parent/guardian gives up right to notice and court trial for any balances due. If you do not timely pay for services rendered below, court judgment may be taken against you without prior knowledge and the powers of a court can be used to collect from you, regardless of any claims that you may have against Accountax School of Business (non-profit) for faulty child learning services or any other cause.

In exchange for child learning services rendered at Accountax School of Business NFP (an Illinois non-profit organization) for the following children:

Child's Name: _____

Child's Name: _____

Child's Name: _____

Parent/Guardian promises to pay:

Daily rate of \$ _____

Weekly rate of \$ _____

Monthly rate of \$ _____

With zero interest, made payable to Accountax School of Business NFP within ten (10) days of the last service rendered. After the ten (10) day grace period, Accountax NFP, or its lawyers retained may appear in court of record situated in the Cook County, State of Illinois and request an immediate judgment against you without your appearance. Parent/Guardian, in advance, is confessing delivery of child care services rendered. Parent/Guardian accepts the total amount due (*above listed rate in this agreement multiplied by the daily printed attendance records submitted to the appropriate court*).
