Dear Parents,

Welcome to a new school year! Your child's team of teachers will consist of Mr. Kelly (Social Studies Rm. 218), Ms. Aubrey (Math Rm. 222), Mrs. Gordon (Writing Rm. 224), and Ms. Blanchard (Science Rm. 228). As we enter this school year, it is expected that all students arrive to school each day prepared and on time, put forth maximum effort, and embrace the IB philosophy. Our IB key concept for the beginning of the year will be Perspectives, and our global concepts are Identity and Relationships. Students will examine a variety of perspectives to gain a better understanding of our globalized world. We look forward to meeting you then!

We are looking forward to a wonderful year together. We have a lot of work ahead of us, but it will be a rewarding year as your child continues to grow, learn, and excel. If for any reason you need to contact us, please do so as follows:
